NATIONAL MEANS CUM MERIT SCHOLARSHIP TEST

The Centrally Sponsored Scheme “National Means-cum-Merit Scholarship Scheme (NMMSS)” was launched in May, 2008. The objective of the scheme is to award scholarships to meritorious students of economically weaker sections to arrest their drop out at class VIII and encourage them to continue the study at secondary stage. Scholarship of Rs. 12,000/- per annum (Rs.1000/- per month) per student is awarded to selected students every year for study in classes from IX to XII in State Government, Government aided and local body schools.

Students whose parental income from all sources is not more than Rs. 1,50,000/- are eligible to avail the scholarships. There is reservation as per State Government norms. The selection of students’ award of the scholarships is made through an examination conducted by the State Governments. Scholarships are disbursed by the State Bank of India directly into the bank accounts of students on quarterly basis.

The students studying in “Kendriya Vidyalayas and “Jawahar Vavodaya Vidyalayas” are not entitled to get scholarship under this scheme. Similarly, those students studying in Residential Schools run by the State Government Institutions, where facilities like boarding, lodging and education are provided and students studying in private schools are also not eligible for the scholarship under this scheme.
