

ABOUT

CYBER GRAMEEN COMPUTER TRAINING CENTER is an initiative established under Corporate Social Responsibility (CSR) program by Dr BV Raju Foundation & Sri Vishnu Educational Society at Atkur. The centre was inaugurated by Sri Rajnath Singh, Hon'ble central minister in august presence of Sri KV Vishnu Raju, Chairman on 08-01-2016.

Cyber Grameen objective is empowering youth and community members through digital literacy and skill development. Center provides free computer education to economically weaker sessions, and unemployed youth, enabling them to acquire the technical skills required in today's job market.

Cyber Grameen Computer training center play a vital role in bridging the digital gap, empowering individuals with the knowledge needed to succeed in education, employment, and entrepreneurship.
